

IATS Members

I am writing to express my interest in continuing to serve as the Iowa Athletic Trainers' Society Secretary. I am completing my first term as Secretary and would like to continue to serve in this position for my second term. I have served several roles with IATS and hope to continue promoting the profession and helping it grow in the state of Iowa.

After completing graduate school, I opened a small athletic training business in central Iowa because I believe that athletic trainers can provide a great service for all active individuals. Since the doors of my business opened, I have done everything I can to promote the profession and educate the general public on the benefits of working with an athletic trainer.

It is because of this commitment that I applied to the Executive Committee three years ago. Prior to my service on the Executive Committee, I was the Chair of the Annual Meeting Committee and helped grow that program from a four CEU event to a 10 CEU event. I continue to serve on the committee as a member.

As Secretary, I have worked to improve communication to our membership and hope to continue to provide detailed information to you all. I plan to continue working with the committees to aid in communication to the membership. I also look forward to continue involvement with our Governmental Affairs Committee to work towards legislation that will benefit athletic trainers in the state of Iowa.

I would like to thank you all for your consideration and I hope to continue to serve as Secretary for the Iowa Athletic Trainers' Society.

Sincerely,

Michael Donahue, DAT, LAT, ATC
