Experience

CLINICAL ATHLETIC TRAINER | April 2020- present

University of Iowa Sports Medicine, Iowa City, IA

- Work in multidisciplinary sports medicine and orthopedic clinics with primary care physicians, advanced practitioners, and orthopedic surgeons to provide health care for orthopedic injuries. Specialty training in hand, sports medicine, and orthopedic trauma.
- Perform initial evaluations on orthopedic injuries and provide recommendations for treatment based on best practices and research
- Documentation of history, physical evaluation, and treatment plan for each patient visit
- Order entry, provide educational materials, and one-on-one counseling with patients

Clinical Athletic Trainer-Orthopedics | JUNE 2019 – April 2020

Nationwide Children's Hospital, Columbus, OH

- Assisted in implementation and streamlining use of certified athletic trainers in the orthopedics department
- Collaborated with orthopedic surgeons, nurse practitioners, nurses, and other allied health care professionals to provide best outcomes for patients and increase efficiency and patient throughput
- Aided in rooming patients, including past history, current complaint, and medication review
- Assisted in preparing clinics by reviewing charts and placing orders per LPIP and transcription
- Performed other tasks including brace application, casting, and HEP prescription/education
- Collaborated with another athletic trainer to provide outreach coverage at an elite gymnastics and volleyball gym three times per week

ATHLETIC TRAINING RESIDENT | JULY 2018 – June 2019

University of Iowa Sports Medicine, Iowa City, IA

- Worked in a multidisciplinary sport medicine clinic with primary care physicians, physician assistants, and orthopedic surgeons to provide healthcare for orthopedic injuries
 - Completed additional rotations in hand, spine, trauma, and joint reconstruction
- Performed initial evaluation of orthopedic injuries and provided recommendations for treatment based on best practices and research
- Documented history, physical evaluation, and treatment plan for each patient visit
- Entered orders, provide educational materials, and one-on-one counseling with patients
- Worked as first assist in operating room with orthopedic surgeons
- Assisted with administration of patient reported outcome measures

CERTIFIED ATHLETIC TRAINER | JULY 2016 - JUNE 2018

SportsPlus Sports Medicine and Physical Therapy, Marshalltown, IA

- Provided athletic training coverage for local area high school events and performed weekly visits to assess injuries and give recommendations for practice and play
- Delivered progress reports to coaches, parents, and providers
- Developed home exercise programs
- Assisted physical therapists with rehabilitating patients
- Managed and coordinated physical therapists' and physical therapy aide schedule
- Compiled statistics for tracking patient outcomes
