

Dermatologic Conditions in Skin of Color

Allison Goldenstein, DO

Allison Goldenstein is a current transitional year resident physician at Broadlawns Medical Center. Originally from Willmar, MN, she attended North Dakota State University for her undergraduate studies and continued on to obtain her Master of Public Health degree in 2017. She then moved to Missouri to complete her Doctorate in Osteopathic Medicine at A.T. Still University and served one year as an academic teaching fellow in the Department of Anatomy. She will be returning to Missouri this summer to complete her residency training in dermatology at Northeast Regional Medical Center. In her free time she enjoys traveling, spending time with friends and family, and relaxing at the lake.
